## Pages not indexed (5)

| PAGE | REASON | WHAT TO DO | LAST CRAWL |
|---|---|---|---|
| Children’s dentistry<br>http://127.0.0.1:8899/?page_id=28 | Crawled, not indexed | • Google read the page but decided it is not worth indexing yet. This is about quality: make it more complete and more useful than what already ranks, add original information, images and FAQs.<br>• No other post or page links to this page in its content (menus are not counted). Add 2 or 3 internal links from related, indexed posts. | October 24, 2026 |
| Veneers<br>http://127.0.0.1:8899/?page_id=29 | Discovered, not crawled | • Google knows the URL but has not visited it yet. Add internal links from your strong, indexed pages so Google sees it as important. | October 23, 2026 |
| Bad breath causes<br>http://127.0.0.1:8899/?page_id=30 | Crawled, not indexed | • Google read the page but decided it is not worth indexing yet. This is about quality: make it more complete and more useful than what already ranks, add original information, images and FAQs.<br>• Thin content: only 180 words. Expand it with genuinely useful information. | October 22, 2026 |
| Root canal<br>http://127.0.0.1:8899/?page_id=31 | Duplicate / canonical | • Google picked another page as the main version: http://127.0.0.1:8899/dental-implants/. Make this page clearly different, or merge it into that page and redirect. | October 21, 2026 |

| PAGE | REASON | WHAT TO DO | LAST CRAWL |
|---|---|---|---|
| New patient offer<br>http://127.0.0.1:8899/?page_id=32 | Unknown to Google | • Google has never seen this URL.
